

Please find below an overview of your child's learning and open ended homework this term. If you require more detail, please see the subject planning documents available on the website.

English

We will be developing our English by using paragraphs to organise ideas around themes. We will be looking at fronted adverbials and noun phrases expanded by the addition of a modifying adjective, noun or prepositional phrase.

Mathematics

We will be looking at number and place value and rounding numbers to the nearest 10, 100 and 1000. We will be learning to add and subtract 4 digit numbers using column addition and subtraction.

Science

States of matter

We will be comparing and grouping materials. We will observe materials and their change of state when they are heated or cooled. We will be researching the temperature at which this happens

History

Romans

We will find out where the Romans conquest of Britain fits on a chronological timeline. We will be learning about what life was like as a Roman and the impact of the Roman empire on life in Britain and how it has impacted our lives today.

Geography

Locational knowledge

We will be learning how to locate countries around the world focusing on Europe. We will be using We will be discovering how to use compasses and four and six figure grid references.

Design Technology

Construction

We will be researching then designing and making our own packaging for a new confectionary product to be sold in supermarkets.

Art

Emma Biggs

We will be learning about who Emma Biggs was and how she created her art work. We will be creating art work in the style of Emma Biggs.

Music

ABBA

We will be listening and appraising Mamma Mia whilst learning about the history of music. We will be learning to sing and play music with confidence and control.

RE

Hinduism

We will be describing and making connections between different features of religion. We will be learning about why Divali is significant to Hindus.

Computing

e-safety

We will be talking about how to stay safe using computers and the internet. We will be exploring how to use search technologies effectively.

Our Values at Fitzwilliam

Respect
Responsibility
Resilience
Recognition

MFL

French

We will be listening attentively to how language is spoken and responding. We will be developing accurate pronunciation.

PE

Games

We will be developing the range and consistency of our skills in all games. We will be devising and using rules and thinking about how we can implement tactics into our games.

PSHE

Relationships

We will be talking about positive relationships including online relationships. We will be discussing how we can respond to hurtful behaviour and how we can respect differences and similarities.

Children should complete at least one piece of homework from the suggestions below but they can do as many as they would like or may create their own project linked to the curriculum work. Homework can be brought in or posted on Seesaw at any point during the term. It will be shared in class that week and they will receive an appropriate number of stars.

In addition to this, children will have the following weekly homework:

English: Your child will have a weekly English activity to complete each week, linked to punctuation and grammar. Children will be expected to read at home regularly each week and also practise their weekly spellings in preparation for weekly spelling test.

Mathematics: A mathematics activity to help practise their arithmetic will also be set each week. Practising times tables at home, which can include using Times Tables Rockstars, is also expected.

Homework will be set every Friday and is expected to be returned by the following Friday at the latest. Children will be rewarded with stars for returning homework early and those not returning homework will complete in school on the following Friday. Please support your child with your chosen homework and enjoy learning with your child.

Talk about...

Go out and find out about the Romans using books or the internet, then talk about what you find, e.g.

- Where the Romans really rotten?
- What impact have the Romans had on our lives today?
- What was it like to be a Roman?

Mark make...

Draw chronological timeline with labels and pictures or make a paper chain with pictures labelling it.

Draw a Roman chariot.

Find out...

When was the colosseum made?

How did the Roman Empire achieve its invasion of Britain?

What did Britain export to the Roman Empire?

Design & make...

A Roman shield or a Roman tool

A Roman mosaic using Emma Biggs' techniques you could use pasta, seeds or paper.

Do...

Be a Roman for the day dress up like a Roman in a toga

Eat like a Roman make some Roman Honey cake.
